

BROAD ARROW GROUP

Position Summary –Digital Designer & Creative Asset Coordinator

Location: Detroit, MI; New York, NY; London, UK; or Remote

An exciting opportunity to join a new company in the collector car market.

Broad Arrow Group represents the collective vision of its founders, team members, and strategic partners to be the best advisor, marketplace, and financier for car collectors. In January 2021, Broad Arrow Group announced its strategic investment from and joint venture with Hagerty (NYSE: HGTY), a preeminent automotive lifestyle brand and a leading specialty insurance provider focused on global automotive enthusiasts. Car collectors and enthusiasts buy and sell billions of dollars worth of collector cars each year. We set out to innovate and improve the way in which collectors and enthusiasts buy and sell collector cars. Our company was founded by industry veterans who not only share their passion for cars but also a shared vision of bringing a new level of simplicity, transparency, and accountability in buying and selling collector cars the world over across different channels and platforms.

We are looking for the right individual to join our team that is passionate for everything design with strong technique and has a 'go-getter' mentality.
